

## Modem Compatibility List

Many cable modems are compatible on the WOW! network. However, not all are available for retail purchase, and not all are available for purchase today. The list below represents the most common modem manufacturers and models compatible with the WOW! network.

A WOW! Advanced Modem is required to receive WOW! Phone. Current monthly lease rates apply.

Manufacturer	Model #	DOCSIS Version	Up to 10Mbps download	Up to 100Mbps download	Up to 500Mbps download	Up to 1000Mbps download
